Vancouver, BC | May 6-9

# Join us at CIM 2018

**Precision Scale and Loadscan have formed an exciting new partnership.**
We would like to invite you to visit us at CIM and take a look at what Loadscan has to offer your mining operation. Loadscan's load volume scanning system has been proven to increase trucking factors up to 15% by optimizing truck loading and eliminating wasteful haul-back.

**Booth 402**
CIM 2018 Convention **6 – 8 May**
Vancouver Convention Centre, Vancouver, BC

CIM will bring together nearly 5,000 mining industry professionals and is themed "Thinking differently: A modern approach to mining". We believe that's exactly what Loadscan has to offer our customers — an opportunity to rethink and revolutionize your payload management approach for significant gain.
